INTRODUCING YOUR NEW MENU

Welcome to your new menu, which has been created so your child can enjoy a delicious, balanced school lunch every day. On this page you'll find some of our dedicated people talking about how we design, cook and serve our meals. All our menus aim to offer great value, meet school food standards and are at the heart of the exciting food experiences we strive to create for our young diners.

Before you read on, we'd also like to reassure you that our service is safe and has been carefully reviewed throughout the pandemic, with adjustments made where needed. Our catering teams have received training, to ensure they are following Government guidance at all times, and our local managers have assessed and will continue to review the service.

Thank you and please get in touch if you have any questions or suggestions!
