HOT MEALS ARE BACK!

INTRODUCING YOUR NEW MENU

THANK YOU

This academic year has been like no other, which is why school lunches might have been a bit different recently. We'd like to say a big thank you for your support whilst we've been establishing the best approach for your school.

Where we've temporarily introduced packed lunches, we've been working hard behind the scenes to safely reintroduce hot meals.

We're now pleased to share the new menu with you, along with some of the great benefits school lunches can offer children and families!

WELL FOR WINTER

Eating well helps to build and maintain healthy immune systems, which is why we think it's so important children can enjoy healthy, warming lunches at school, wherever possible.

We know it's a difficult time for most right now so want to highlight five ways school meals have the power to support you and your child this winter.

1 SUPER SAFE

From implementing Covid-19 safety measures, to carefully catering for a range of special dietary needs, the safety of our people and diners is always our top priority. Our health and safety experts make sure our catering teams have everything they need to run a safe service each day and support them with risk assessments and regular service reviews.

Check out our 'back to school' guide for parents and carers to hear from our management and nutrition specialists.

2 MADE FROM GREAT INGREDIENTS, BY AWESOME PEOPLE

Over 85% of our dishes are freshly prepared each day 

The menus are accredited by the Soil Association – meaning all our meals are balanced and made from ingredients which are sustainably sourced and better for animal welfare.

Our ingredients are sourced from local and UK suppliers wherever possible – a fact we love to show off through our partnership with Love British Food.

Our experienced cooks are passionate about feeding hungry minds and supporting pupil wellbeing through engaging dining experiences. 

3 EVEN HEALTHIER – AND STILL DELICIOUS!

ON AVERAGE, WE'VE REDUCED THE SUGAR IN OUR MENUS BY 30% 

WE DON'T ADD ANY SALT TO OUR RECIPES...

We use herbs, lemon juice and other natural ingredients to add flavour. 

THERE ARE NOW EVEN MORE VEGGIES ON OUR MENUS

We've committed to upping our veg count and are proud Peas Please pledgers. Find out more here! 

WE'VE INTRODUCED MORE PLANT-BASED OPTIONS

So children have more choice when it comes to enjoying meat-free meals which can provide more fibre & less saturated fat!
